(degree and Erasmus+)

Master of Computer Systems

Please note some subject's names, ECTS and codes may be changed during the study year. Student can choose any subject from Autumn Semester or any subject from Spring Semester, depends on which semester student is going to study in ISMA.

Master students in order to expand their course can get an individual plan of studies and to join courses delivered for Bachelor students. In this case these elected subjects will also be reflected at a Transcript of Records.

Orientation meeting with ISMA coordinator is compulsory.

ISMA will inform the student about possible changes and according alternatives will be offered. Changes in Learning Agreement will be done then.
